The Vegan Studies Project Food

At the same time, Wright looks at critical animal studies, human-animal studies, posthumanism, and ecofeminism as theoretical frameworks that inform vegan studies (even as they differ from it). The vegan body, says Wright, threatens the status quo in terms of what we eat, wear, and purchase- and also in how vegans choose not to participate in many aspects of the mechanisms undergirding ...

Project MUSE - The Vegan Studies Project

The motivations that lead individuals to go vegan, and the way society at large perceives and talks about them is the theme of *The Vegan Studies Project: Food, Animals, and Gender in the Age of Terror*, by Laura Wright, a literature professor at Western Carolina University. Although the book is not an easy read, as its language is steeped in critical and literary theory, it focuses on news ...

The Vegan Studies Project: On Being Vegan in America ...

The Vegan Studies Project is an important contribution to the literature on veganism and vegetarianism in contemporary American culture. My views of Laura Wight's book are summarized in the cover blurb I provided to the publisher.

The Vegan Studies Project: Food, Animals, and Gender in ...

Donald Watson is widely credited with having coined the term “vegan” in 1944, when he and others founded the Vegan Society.. Since then, the word has become so heavily loaded with cultural and emotional baggage (both pro and con) that an increasing number of vegan restaurants and food brands I come across now use the words “plant-based” instead.

Book Review: The Vegan Studies Project : EcoLit Books

The title itself - meant "in the spirit of play" - suggests a certain proximity of Wright's work with burgeoning fields of research such as food studies, fat studies, and animal studies. Veganism, which is now very visible in US social and cultural debates about food, health, and the environment, begs for a deeper understanding beyond any easy rebuttal.
