Society begins in the homes of each individual member of the Church. It is interesting that Luke's summary of the great commission call to preach the gospel to all nations, however, it also commands to begin in Jerusalem first. In other words, the commission begins at home. Keep in mind that society is a reflection of the homes they proceeded ...

What Is The Role Of The Church In Society ...

The first full articulation of the Catholic doctrine on the principles of the relationship of the Catholic Church to the state (at the time, the Eastern Roman Empire) is contained in the document Famuli vestrae pietatis, written by Pope Gelasius I to the Emperor, which states that the Church and the state should work together in society, that the state should recognize the Church's role in ...

Separation of church and state - Wikipedia

Because there is separation, the church is taken out of the role of governing. That allows the government to focus on the body while the church focuses on the soul. 4. It allows for personal choice. Without a separation of church and state, there is the possibility of having the government dictate which religion a person can follow.
